

iCrease Pro+

## **iCrease Pro+** Creasing & Perf/Scoring

### **Robust creasing & perforating for low and medium volumes.**

The iCrease Pro+ is a simple hand-feed machine that lets you crease and perf in one pass – no need to re-feed the paper after creasing. Offers multiple crease locations, plus perfect-bind covers with choice of automatic hinge placement or no hinge. Comes with pre-set crease locations for 11 most common folds.

With the iCrease Pro+ you can crease up to 12 locations and four perforations per page. The two-sided creasing die lets you easily switch from narrow to wide crease for heavier stock, or switch the perf assembly in seconds for micro-perf.

- ⌋ **Ideal for low and medium volume jobs**
- ⌋ **Simple one-step hand-feed operation**
- ⌋ **User-friendly touch screen for easy set up and control of the machine**

### **CREASING**

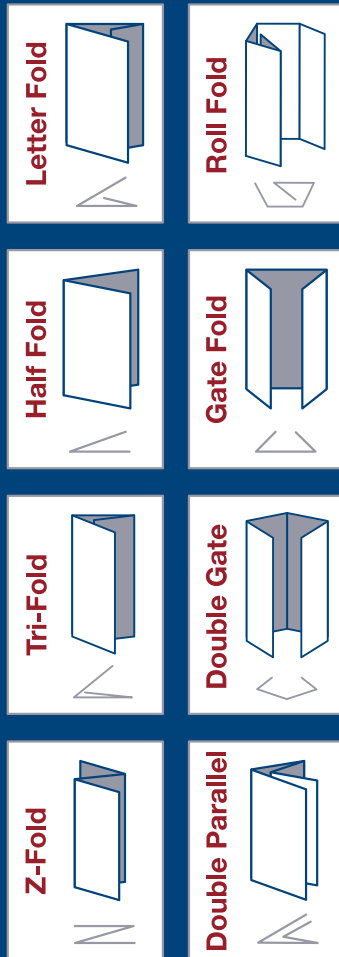

- CAM Actuated Creasing
- 2-Sided Creasing Rod
- Auto Setup
- 8 Crease Presets
- 3 Perfect Bind Options

### **PERF/SCORING**

- Up to 4 Assemblies
- Optional Micro-Perf

## CREASE PRESETS

## Creasing Features

- Crease up to 12 locations and 4 perforations per page.
- Two-sided die creasing rod accommodates for heavier stock—simply remove and flip over to change from narrow to wide crease.
- Comes with pre-set crease locations for 11 different folds; plus 12 custom options to accommodate almost any fold.

## Perf/Scoring Features

- Crease and perforate in one pass – no need to manually re-feed the paper into the machine after creasing.
- Switch from standard to micro-perforating in seconds – simply swap out the perf assembly.

- No Hinge
- Single Hinge
- Double Hinge
